Federal Election Commission
Attn: Kevin Fortkeiwicz

Item 1: The additional contributions were from credit cards received. Intially I had some issue in the timing of how I receive data from the vendor and items were missed in the orginal filings. We have a much smoother process for receiving and importing the data for credit card contribuitons now.

Item 2: The item fo Washingont Times that was reported on the orginal filing FEC-786887 should have been included on the ammendment. The first ammendment added 3 items to the orginal. I have filed a 2nd ammendment that reflects the item from Washington Times.

Thank you.
